

POWAY GIRLS VOLLEYBALL PROGRAM

Dear Parents:

Athletic programs are asked to be increasingly financially responsible in paying for more and more things due to drastic State and District budget cuts for sports. As a result, our volleyball program is held responsible for covering most costs each season. This puts a financial burden on our program's overall budget, so we are soliciting donations from each of you in order to assist our program in recovering some of these additional costs.

The total voluntary contribution we are asking you for is **\$200 per athlete¹** to be used to help the program cover many of the expenses we accrue throughout the entirety of a season. Items the program pays for are 2 coaching stipends, tournament entry fees for all 3 teams, program-wide bonding events with prizes that are free for the players (~4 events/year), training supplies, practice shirts, game socks, sandwiches before every away game (~8 away games/year), and banquet costs for each player, just to name a few items. So we would greatly appreciate your donation of **\$200** to help us cover *some* of our program's expenses.

Thank you in advance for your continued support of the high standards of our program. We greatly appreciate it.

Respectfully,

Poway Girls Volleyball
